## ✉ Before You Go... Let's Build Together

Now that you know your Faith Builder type, here's how to take your next step:

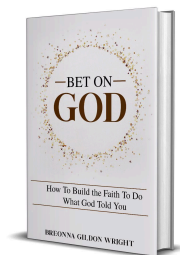

### 1. Apply This Week's Strategy

Don't just read your result, live it. Try one of these:

- *Write your faith declaration every morning with scripture to back it up.*
- *Set a financial boundary this week (budget before you shop, pray before you swipe).*
- *Take 10 minutes daily to journal where you saw God's hand in your day.*

### 2. Strengthen Your Faith Daily

*If your results showed areas where faith feels uncertain or fragile, strengthening it daily matters more than doing everything at once. [Bet on God](#) was written to help you build trust with God in practical, honest ways, one day at a time.*

### 3. Grow With Friends

*Your faith was never meant to grow alone. That's why we host the Build By Faith Monthly Event Series: a time of prayer, teaching, and strategy for the everyday woman of faith. Come be poured into and leave with practical steps to walk out what God is speaking to you.*

*RSVP to our next event to learn, ask questions, and leave with practical tips to walk out your assignment by faith. Head over to our events page at [wesharetoempower.com/ourevents](https://wesharetoempower.com/ourevents) or simply press on the button below to RSVP.*
